### General data

|                     |                   |
|---------------------|-------------------|
| Location            | Czech Republic    |
| region              | Jihomoravský kraj |
| Year of manufacture | 2022              |
| Warranty            | Without warranty  |
| Technical condition | Very good         |

### Technical parameters

|                                              |         |
|----------------------------------------------|---------|
| Maximum length of the grinding (shaft)       | 2000 mm |
| Maximum diameter of the grinding (shaft)     | 500 mm  |
| Maximum weight of the workpiece in the chuck | 500 kg  |
| Total power demand                           | 11 kW   |

### Dimensions

|                |         |
|----------------|---------|
| Machine height | 2200 mm |
| Machine length | 7700 mm |
| Machine width  | 3100 mm |
| Machine weight | 6.8 t   |
